

Current Community Advisory Group

The Welaunee Community Advisory Group, first formed by the Mettler family (owners of Welaunee) in 2001, assisted in the creation of the Welaunee Critical Area Plan, adopted by the Tallahassee City Commission and the Leon County Board of County Commissioners in 2002.

In 2006 CNL Real Estate & Development reconvened that group to assist in planning its new walkable, mixed use community. Members are drawn from a wide range of neighborhood, cultural, environmental and community groups and institutions.
